

Tuition Guide

September 2019 – May 2020

Tuition Model Overview

We believe quality preschool should be available to and affordable for all families. Using this tuition guide, each family commits to a monthly tuition based on their income and family size.

All families are also encouraged to make an additional *Fair Share* donation to Whittier Wildflowers that is voluntary and tax-deductible (see page 6).

This Biblical approach is anchored in academic and economic equity, and our love for one another. In addition to other donations raised by the school, this model results in affordable tuition and a sustainable program with high quality teachers.

Instructions:

- 1) Find the appropriate chart based on the age[^] of your child and how many days a week you wish to enroll.
- 2) Using your household size and annual gross income (before taxes), please select your monthly preschool tuition amount.
- 3) Decide if you want your child to stay for Lunch Bunch (see page 7 for pricing) and Afternoon Adventures for the older age groups (see page 6 for pricing).
- 4) Consider additional *Fair Share*, tax deductible pledge using the guide on page 7.
- 5) If you have more than one child enrolled, please apply a 10% tuition discount for each additional child.
- 6) The non-refundable, application fee is \$50 for families whose annual income is greater than \$50,00 and \$25 if under \$50,000.

If you have questions about age requirements, or tuition pricing, please contact the director.
